## Question 9 (1 mark)

This is a **bonus question**. You can achieve full marks for the exam even if you don't answer this question.

- A. Who are the two founders of Google? (1/3 mark for each name)
- B. Where were they studying for a PhD before they founded Google? (1/3 mark)

Type the answer to this question into the file called `q9.txt` and submit it using the command:

```
